SPECIFIC—Progress Report for April 1958

HEADQUARTERS ACTION REQUIRED: None; for information and files

1. Developments:

a. [] conferred twice during April with AECASSOWARY/3 on action his (AECASSOWARY 3's) organization might take at the Brussels Fair, and the only positive statement he could make regarding this was that AECASSOWARY/2 is expected to arrive here from PEPRIME in May to arrange whatever action is to be taken. (See Attachments A and C).

b. In April two letters were received at the AECASSOWARY safe-house from [], and were duly turned over to us by AECASSOWARY/6.

c. AECASSOWARY/3 furnished us with a list of AECASSOWARY/1 and AEDRUMMER newspaper personnel, and this has since been forwarded to Headquarters in EGMA-33461, 4 April 1958. Newspaper accountings for first quarter FY 58 were also furnished by AECASSOWARY/3, and these too have already been forwarded in EGMA-33928, 28 April 1958.

2. Transmitted herewith as Attachments A through D are Contact Reports numbered 46 through 49 of meetings held with AECASSOWARY/3 and 6 during April 1958.

Att. A to EGMA 33472

OPERATIONAL MATTERS AND COMMENTS:

1. [] met with AECASSOWARY 3 and 6 for the purpose of picking up the list of AECASSOWARY 1 and AEDRUMMER newspaper personnel requested in EGMW 5700. (This list was transmitted to headquarters in EGMA 33461, dated 4 April 1958.

2. [] again asked AECASSOWARY 3 whether his organization had done any planning with respect to carrying out action at the Brussels Fair. AECASSOWARY 3 said this matter stands as it stood the last time [] brought up this topic, e.g., his organization has done nothing on its own but that the Ukrainians in general were planning to distribute scholarly and church literature via the Vatican Pavilion, and Mr. Vasyl MARKUS was investigating the possibility of disseminating literature from book stores in Brussels proper. AECASSOWARY 3 added that unless AECASSOWARY 2 came up with some ideas and plans for positive action, it was doubtful whether his organization would do much. He said he has exchanged views on this topic with AECASSOWARY 2 but to date can report no concrete progress.

3. AECASSOWARY 6 has been laid up with an attack of appendicitis for the past week and plans to have an operation after the Easter holidays.

4. The next meeting with AECASSOWARY 3 and 6 is to be arranged by phone.

ATT. C to EGMA-33472

OPERATIONAL MATTERS AND COMMENTS:

1. On receiving a call from AECASSOWARY 6 that the newspaper accountings for July, August and September 1957 were ready, [] went to the AECASSOWARY 6 safehouse to pick these up. Both AECASSOWARY 3 and 6 were waiting for him, and as might be expected, extended amenities followed. However, when [] asked them both whether either had anything of interest to report operationally, both confined their remarks to the recent bombing at Zeppelinstrasse. (This has already been reported by [] AECAPLIN I, []). Asked for their theories on the alleged attempt on Danylo CHALKIVSKYY's life, both opined that they doubted whether the RIS was behind the bomb, for had they been, the bomb would have been more effective. AECASSOWARY 3 further said that some people even think Stefan BANDERA might have masterminded the bomb routine himself in order to gain some publicity for his organization. And finally, there was the opinion that some crank from the NTS mailed the bomb to even the score for the anti-NTS articles printed by Schlakh Peremohy.

2. AECASSOWARY 3 said AECASSOWARY 2 wrote to AECASSOWARY 6 informing them that he expects to visit them from FBPRIME in early May when he comes here to discuss action to be taken by his group during Fair time in Brussels. AECASSOWARY 2 is expected first to visit Paris where he will confer with Vasyl MARKUS, and then come to Munich. AECASSOWARY 3 told [] that AECASSOWARY 2 has gotten his FBPRIME citizenship and consequently will be travelling on a passport of the same country. AECASSOWARY 3 was surprised to learn that [] knew nothing about AECASSOWARY 2's proposed visit.

3. The next meeting will be arranged via phone call.
